

Elsevier Science Parasitology Journals

Special Low Subscription Rate for Members of Parasitology Societies

Elsevier Science publishes four important parasitology journals, Molecular and Biochemical Parasitology, Acta Tropica, International Journal for Parasitology, and Parasitology International. Elsevier Science is pleased to announce that there are special society rates for all of the parasitology journals for members of parasitology societies. The 2000 member-rates for each of the journals are listed below.

It is important to note that any subscription is intended for personal use and is not to be used as, or replace, an institutional subscription.

To obtain such a member subscription, please complete and return the form and declaration below.
